“**M**ahalo for your trust and support. I am incredibly honored to be recognized as a *Hawaii Business Magazine* Top Performer, and I want to extend my heartfelt thanks to my clients, colleagues, and community for making this achievement possible.

My journey in real estate began in 1994 with East Oahu Realty, where I had the privilege of serving as President until our meaningful merger with Hawaii Life. Over the years, I've been fortunate to represent clients across a wide range of properties—from small condominiums to oceanfront estates. Regardless of size or price point, my goal has always remained the same: to provide every client with professional, ethical, and personalized service.

Real estate has never just been about transactions for me; it's about helping people create a solid foundation in the islands, a true home base that brings peace, security, and lasting value to their lives.

What brings me the greatest fulfillment is the trust that you place in me, allowing me to help you navigate one of life's most important decisions. That trust has not only led to successful partnerships, but also to meaningful friendships that I deeply cherish.

Outside of work, I find balance and purpose through community involvement, ocean activities, and time with loved ones. I'm especially grateful to continue serving our neighborhoods through programs like Adopt A Highway and the American Red Cross.

Mahalo nui loa for being a part of this journey. I look forward to continuing to serve you with heart and integrity.”
