

Sisi Maw Takaki

RB-21987 | REALTOR®, MBA

Sisi Takaki has been a respected member of Hawai'i's business community for over 20 years, with close to fifteen years devoted to Hawai'i's luxury residential real estate market. A licensed Realtor® and award-winning top producer, she is known for her strategic expertise and extensive network—ranging from early-career clients she met during her first internship to leaders in exclusive organizations like YPO and faith-based communities such as Ground Higher.

While she specializes in high-end properties, Sisi's first priority is cultivating genuine connection and trust. The true fulfillment in her work comes not from the size of a transaction but from the heart posture of the relationships she builds. Her client-first approach is deeply personal, rooted in strong integrity and advocating for her clients. She acknowledges that her values-driven mindset may not align with everyone—but believes firmly that success is found in alignment of values, not wallets.

With an MBA and a background in telecommunications and tech, Sisi brings business acumen, negotiation skill, and market insight to every deal. She's also a Certified Mediator, known for handling complex transactions with clarity, calm, and discretion. Recently honored with the Chairman's Circle Gold Award, she ranks in the top 2% of 45,000+ Berkshire Hathaway agents worldwide.

Beyond real estate, Sisi is a proud mother of two teenage sons and an active leader in youth mentorship and faith-based service. Her life and work reflect a commitment to excellence, purpose, and honoring every client with respect and authenticity.
