**B**orn and raised on Hawai'i Island—from the cool country town of Kamuela to the culturally rich district of North Kohala—I'm a proud Native Hawaiian, a mixed wahine with deep generational roots in my community. With over a decade of experience in Hawai'i's Title and Escrow industry, complemented by a diverse background in real estate transactional expertise, I prioritize professionalism and the cultivation of long-term relationships. My focus is on establishing meaningful connections with clients and fostering strong ties within the island community we call home. Building trust and rapport is essential to my approach, as I believe that lasting partnerships lead to successful outcomes for everyone involved. With localized insight and a commitment to integrity, humility, and clear communication, I strive to guide my clients with care, professionalism, and confidence. My husband and I are grateful to raise our children in the same community that helped shape us. Outside of work, I enjoy spending quality time with my family, giving back to my island community through non-profit work or coaching youth sports. I love music, outdoor adventures, and great food! I'm passionate about people and place, and I welcome every opportunity to connect, serve, and "talk story."
