

Drew Read

HI LICENSE RS-67769

Drew's honesty, integrity and knowledge coupled with his exceptional service make him a great realtor!

Drew has experience with real estate in both Hawai'i and the Mainland. He started out buying properties for investment purposes and discovered a true passion for the industry. Drew was first exposed to real estate as a child, when his father worked as an architect and general contractor of custom homes.

This early introduction gave Drew an appreciation for quality craftsmanship and architectural design.

With his dependability, loyalty, expertise and attention to detail, Drew goes above and beyond to understand his clients' needs and consistently exceeds their expectations. His commitment to professional service combined with his enthusiasm and integrity make Drew an excellent guide to real estate.
